Them. — Unskilled Men Being
Weeded Out.

(From a Staff Correspondent of The Evening
Bulletin)

Camp Devens, Ayer, Mass., Oct. 25.—
Two hundred men from the Three Hun-
dred and First Engineer Regiment were
to-day transferred to the Depot Brigade.
This transfer simply means that those fig-
uring in the change are going to a work
more suited for them.

Col. F. A. Pope, commanding officer of
the regiment, is making his unit typically
an engineering one, and practically has
weeded out all unskilled men.
